INVITATION

1st Career & Motivation Day

One of the main activities of the project are Motivation and career days. They aim to extend and disseminate information about broad educational and working alternatives, as well as to provide various work and life examples and opportunities through real career models. The first of a series of 5 Motivation and career days will be held on Thursday, November 23rd at the Lunik IX community center in Košice. The target group will be the community as it is - children of different age, parents, community center staff, local government as well as non – profit sector. The inspirational stories - real career models - will bring successful young IT employees, as well as students who have managed to achieve outstanding academic results and continue their studies and personal development despite difficult living conditions.

We would like to invite you to the first Motivation & career day

organized within the project SKHU/1601/4.1/210 Virtual Education and Research and Development and Innovation Network in the Slovakian - Hungarian border region. This event is to be held in Kosice, Slovakia at the Community Center at Lunik IX, Krčméryho 2 on 23 November from 1 pm. The program of the event is planned for 2 hours.
