

Invitation

Banska Bystrica Regional Chamber of SCCI in cooperation with the partners is pleased to invite you to

the final conference of the InnoService project,

that will be held

on **15th January 2019 from 10:30 to 15:00 CET**
in Zvolen, Študentská 17, Zvolen.

The event is organised within the **Cross-border Innovation Service Portfolio** project co-financed by the European Regional Development Fund (ERDF) through the Interreg V-A Slovakia-Hungary Cooperation Programme.

The aim of the conference is to introduce the outcomes of the project especially the new online portfolio of R&D services and infrastructure in the area of South-East Slovakia and North-East Hungary and to discuss with experts what are possibilities, benefits, and obstacles of cooperation between R&D organisations and companies. The conference will also be an excellent opportunity for networking among Slovak and Hungarian companies and R&D providers.

Attendance at the conference is free of charge but the registration is mandatory. Please, register online [here](#).

The conference language is Slovak, simultaneous interpreting into Hungarian will be provided.

For more detailed information about the InnoService project see www.inno-service.eu.
