

INVITATION FOR THE PRESS CONFERENCE

The Ister-Granum European Grouping of Territorial Cooperation (Ister - Granum EGTC), supported in the framework of Interreg V-A Slovakia-Hungary Cooperation Programme

in partnership with the municipalities of Štúrovo, Nagymaros, Svodín, Mužla and Bajót, the Börzsöny-Duna-Ipoly Rural Development Association, the Esztergom Environmental Culture Association, and the Naturproduct and Szivek pince enterprises will make developments and investments in order to create a regional local product network.

As a result of these developments new local product markets will be created, and some existing places will be improved. New equipment will be purchased, a wine cellar will be developed, a regional wine laboratory, and weather forecast stations will be created.

We are kindly inviting you for the press conference of the project, where you will be informed about the project's actualities.

The date of the press conference: **24th September, 2020, 10:00.**

The venue of the press conference: Esztergom, Prímás Pince

The agenda of the press conference:

- Greeting
 - Eugen Szabó, executive chairman of Ister-Granum EGTC
- The presentation of the project and the planned investments
 - Péter Nagy, director of Ister-Granum EGTC
